CALL FOR PAPERS

SPECIAL ISSUE
Medical & Health Professions Education in Morocco:
- Between Tradition & Innovation -

Journal of Medical & Surgical Research (JMSR) is launching a special issue focused on new developments and research in medical and health professions education in Morocco. The goal for this special collection is to expose the current situation of health professions education in Morocco and to highlight innovations in Medical Education during the last decade, in the light of the recent reform of medical studies.

- Manuscripts must be submitted by November 31, 2022.
- The Special Collection will be published in February 28, 2023.
- All kinds of manuscripts will be considered with the following guidelines:
