

Journal of Medical and Surgical Research is standing as the first Moroccan medical journal indexed in WoS Clarivate analytics and the first Moroccan medical journal with impact factor. The peer-review process is the major pillar of high-quality publishing. At the beginning of 2025, a big thank to all those mentioned below for accepting to support Journal of Medical and Surgical Research Editorial policies on peer-review and for dedicating their time and expertise to improve manuscripts quality and support internal decision making.
